

## Workplace Safety and Patient Care Standards

As part of your application process with **Rx Pro Health**, you will need to complete a course on Workplace Safety and Patient Care Standards. In partnership with **RxSchool.com** we are able to offer this convenient online course free of charge. You will 2 ACPE credits for completing this course.

To take this quiz and fulfill this requirement, please go to [www.rxschool.com](http://www.rxschool.com). You will need to register for a FREE account and complete the Workplace Safety and Patient Care Standards course.

Use the coupon code **fundamental2011** during check out which will allow you to take this quiz for free.

When you have completed the quiz, please send an e-mail to [Rebecca.sergi@amnservices.com](mailto:Rebecca.sergi@amnservices.com) and your results will be uploaded directly from the RxSchool website.
